Introducing a **NEW ERA** of **DOORS** in *South Africa*

Discover our exclusive new range of internal and External housing doors, never before seen in South Africa. Designed for modern living, these doors combine cutting-edge style, superior craftsmanship, and innovative materials to transform any interior space. Whether you're looking for sleek contemporary finishes or timeless elegance, our collection offers unmatched quality and aesthetic appeal. Elevate your home with doors that redefine interior design.

We Offer:

- **Free Quotations:** On your architectural drawings / plans, or personal requests.
- **Measurements:** If you are unsure about your specific sizes that you require, we can assist by getting you the correct measurements for your doors.
- **Installation Assistance:** Installation assistance available if required

We significantly aim to greatly improve the living quality of people and to become the leader in the home improvement door industry. Door City has been a family-based company and will make each and every client feel like part of that family.

At Door City, we open doors to style, innovation, and quality - one room at a time! We aim to be South Africa's go-to brand for doors that don't just close spaces but open possibilities.

What sets **DOOR CITY** apart?

Our **DOORS** are constructed with a combination of wood and carbon crystal, being two of the primary components, with a multi-layered solid wood that makes our **DOORS** far more durable. Our unique and trendy designs, complete with architrave detailed framework, is a first to the South African market carefully tailored to fit your space, climate and style.

BENEFITS OF OUR **DOORS:**

- ✓ Sound Reduction
- ✓ Anti-Scratch & Paint-Free
- ✓ Safety & Security (*Reinforced Door Structure*)
- ✓ Ingress Protection Feature
- ✓ Detail Architrave Frame
- ✓ Easy Installation with Heavy Duty Hardware

ALUMINIUM **DOORS** & WINDOWS

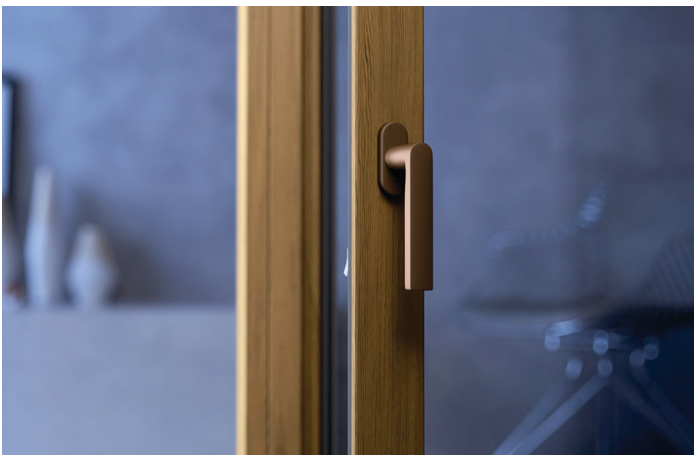

*Ideal for Residential
and Commercial Applications!*

Our **Double Glazed Aluminium Windows** combine modern aesthetics with superior performance, offering enhanced insulation, durability, and security. Designed to withstand varying weather conditions, these windows feature two panes of glass separated by an insulating Argon Gas layer, reducing heat transfer and noise pollution.

- **Energy Efficiency** – Improved thermal insulation helps maintain indoor temperatures, reducing heating and cooling costs.
- **Noise Reduction** – The double-glazed design minimises external noise, creating a quieter indoor environment.
- **Durability & Low Maintenance** – Aluminium frames are resistant to rust, corrosion, and warping, ensuring long-lasting performance with minimal upkeep.
- **Enhanced Security** – The robust structure and multi-layered glazing provide added protection against break-ins. 'Bullet-proof glazing optional'
- **Sleek & Modern Aesthetic** – Stylish and customisable colours and wooden finishes to suit various architectural designs.
- **Lifetime Warranty.**

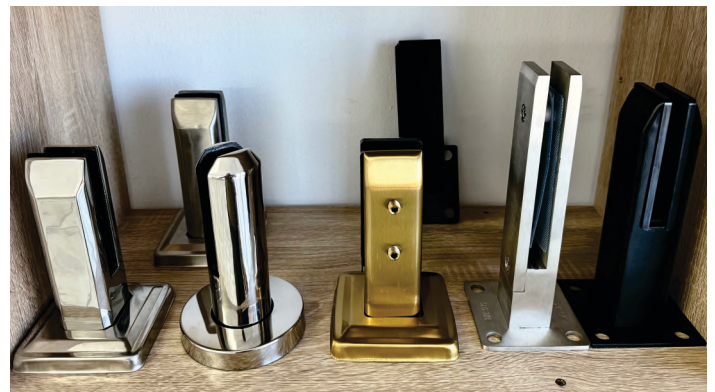

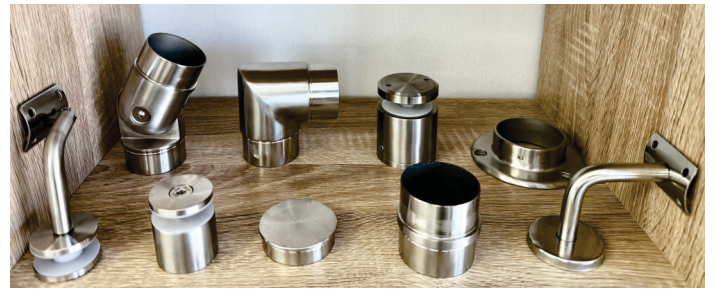

STAINLESS STEEL BALUSTRADES

Our **Stainless Steel Frameless Glass Balustrades** offer a sleek, modern, and unobstructed aesthetic while ensuring superior safety and durability. Designed for both residential and commercial applications, these balustrades feature high-quality toughened glass secured with premium 304 & 316 stainless steel fittings, providing a sophisticated and minimalist look without compromising on strength.

- **Unobstructed Views** – The frameless design enhances open spaces and maximizes natural light.
- **Durability & Strength** – Toughened safety glass combined with corrosion-resistant stainless steel ensures long-lasting performance.
- **Low Maintenance** – Resistant to rust, corrosion, and weathering, requiring minimal upkeep.
- **Modern Aesthetic** – A seamless, contemporary design that complements any architectural style.
- **Enhanced Safety** – Engineered for stability and protection, meeting stringent safety standards.

SANS 10400/10160

Ideal for balconies, staircases, and terraces,
our Stainless Steel Frameless Glass Balustrades provide a perfect blend of

Elegance, Safety & Durability.
